## Human Trafficking Education Request Form

### DUTY TO PREVENT HUMAN TRAFFICKING

The Texas Legislature has made it a priority for TABC to prevent human trafficking at licensed and permitted locations. To fulfill this duty, TABC and the alcoholic beverage industry must work together to become the eyes and ears of Texas, making it near impossible for human trafficking operations to escape notice and the full force of the law.

### EDUCATION SESSION

TABC offers a **half-hour in-person or virtual education session on how to identify and anonymously report suspected human trafficking**. This is tailored for personnel who have a presence in various alcohol retail establishments (on and off-premise sales) and who frequently observe and/or interact with patrons and employees of such establishments.

TABC law enforcement personnel will conduct the education session for your staff at your place of business at a date and time convenient to you.

### WHAT WE NEED FROM YOU

If you're interested in receiving education for your personnel, please fill in the information requested below – identifying all of your business locations where you would like TABC to educate your staff and the accompanying information needed for each location.

TABC will connect your location contacts with the appropriate TABC educator to confirm the details for your education session(s).

**Business Name:** \_\_\_\_\_

### Location #1

Address: \_\_\_\_\_

Contact Name: \_\_\_\_\_
